## FOREWORD

The *Official Guard and Reserve Manpower Strengths and Statistics* is published annually by the Office of the Assistant Secretary of Defense for Reserve Affairs. It is produced to display a wide range of data drawn from the Reserve Components Common Personnel Data System (RCCPDS) which is maintained by the Defense Manpower Data Center (DMDC) located in Monterey, CA and Arlington, VA. Over two million records maintained in RCCPDS are updated monthly by the various Reserve components. The record layout in RCCPDS consists of 102 data fields, providing a comprehensive personnel database that is used for personnel reporting and analysis throughout the Department of Defense. Since July 1975, RCCPDS has been the official source for Reserve component end strength reporting and the official source of accession, loss, and reenlistment information since 1976.

This report contains five sections. The first section is a recapitulation of the end strength numbers and profile of the Reserve components, represented in various "A" reports. The second section consists of the "G" reports, providing accession information. The summary and profiles of Selected Reserve losses make up the third section, designated by the "L" reports. The "M" and "X" reports in the fourth section provide reenlistment and continuation data. The final section provides information on retired Reservists depicted in three "V" reports.

The information summarized in this report reflects the official Department of Defense position and forms the basis for manpower planning, strength accounting and budgeting through the Department. The information contained herein may be released to individuals and agencies outside the Department of Defense.

## RESERVE COMPONENT CATEGORIES

The Reserve Components of the Armed Forces are:

- Army National Guard (ARNG)
- Naval Reserve (USNR)
- Air National Guard (ANG)
- Army Reserve (USAR)
- Marine Corps Reserve (USMCR)
- Air Force Reserve (USAFR)
- Coast Guard Reserve (USCGR).

All Reserve and Guard manpower is assigned to one of three Reserve Component categories: Ready Reserve, Standby Reserve, and Retired Reserve.

### Ready Reserve

The Ready Reserve is comprised of military members of the Reserve and National Guard, organized in units, or as individuals, liable for recall to active duty to augment the active components in time of war or national emergency. The Ready Reserve consists of three Reserve component subcategories: the Selected Reserve, the Individual Ready Reserve, and the Inactive National Guard.

The Selected Reserve consists of those units and individuals within the Ready Reserve designated by their respective Services and approved by the Chairman, Joint Chiefs of Staff, as so essential to initial wartime missions that they have priority over all other Reserves. All Selected Reservists are in an active status.

The Individual Ready Reserve is a manpower pool comprised principally of individuals having had training, having served previously in the active component or in the Selected Reserve, and having some period of their military service obligation remaining.

The Inactive National Guard consists of National Guard personnel in an inactive status in the Ready Reserve, not in the Selected Reserve, attached to a specific National Guard unit. Both the Individual Ready Reserve and the Inactive National Guard are available for mobilization in a National Emergency.

### Standby Reserve

The Standby Reserve consists of personnel who maintain their military affiliation without being in the Ready Reserve, who have been designated key civilian employees or who have a temporary hardship or a disability. These Reservists are not required to perform training and are not part of units. The Standby Reserve is a pool of trained individuals who could be mobilized if necessary in times of National Emergency to fill manpower needs in specific skills.

## Retired Reserve

The Retired Reserve is mostly comprised of officers and enlisted personnel who receive retired pay on the basis of active duty and/or reserve service; all Reserve officers and enlisted personnel who are otherwise eligible for retired pay but have not reached age 60 and who have not elected discharge and are not voluntary members of the Ready or Standby Reserve; and other retired reservists as defined in Section 10154 of Title 10, U.S. Code. All retired members who have completed at least 20 years active duty (Regular or Reserve), regardless of the retired list to which assigned, may be ordered to active duty whenever required as determined by the Secretary of the Military Department.

Additional details on the Reserve Component categories can be obtained from *Reserve Components of the Armed Forces, Reserve Component Categories* (May 1996, DoD Directive 1215.6), a pamphlet published by the Office of the Assistant Secretary of Defense for Reserve Affairs.

## RCCPDS INFORMATION

The *Official Guard and Reserve Strength and Statistics* is printed annually for each fiscal year.

Comments concerned with policy issues of use of these reports for Reserve Component studies should be addressed to the Office of the Assistant Secretary of Defense for Reserve Affairs (Manpower and Personnel), ATTN: Ms. Virginia M. Hyland, Room 2D517, The Pentagon, Washington, DC 20301-1500; Commercial: (703) 693-7490 or DSN 223-7490.

Comments concerning the distribution of this report or requests for monthly/quarterly reports should be addressed to the Defense Manpower Data Center, ATTN: LTC Deborah A. Shea, 1600 Wilson Blvd., Suite 400, Arlington, VA 22209-2593; Commercial: (703) 696-5848 or (831)583-2400 or DSN 426-5848.
